

January XXXX

Dear Parents and Guardians,

The PTO is planning its annual fundraiser, "Ladies Night Out," which is scheduled for Friday, March 10th. This is the BIGGEST fundraiser of the year! Last year's event was a huge success and a lot of fun. The money raised from this event amounts to about half of the PTO budget and supports your children's social events such as the Ice Cream Social, Mother/Son Night, Family Bingo Night, the Father/Daughter Dance, and Summer Bash. It also helps to fund in school assemblies, after school clubs, field trip transportation, as well as purchases for our school such as the playground equipment, new technology and school enhancements! This past year, we purchased \$29,000 in new class projectors and Robotic for the school. Ladies Night Out is instrumental in making that possible.

Each year, every class is asked to put together a themed basket that will be included in the raffle the night of the event. This year **Mrs. Krumins's class will be purchasing a KEURIG COFFEE BREWER AND ACCESSORIES for the Coffee and Tea Basket.** We would like to collect a donation from each student to help with the purchase of the **KEURIG COFFEE BREWER AND ACCESSORIES.** The average donation is usually \$10, but the amount is entirely up to you. The money can be sent in to school in the envelope provided, please include your child's name on the envelope as well.

In addition, if anyone has any contacts within the area that might be willing to make a donation (sporting goods, gift certificates, autographed memorabilia, tickets for sporting events, etc.) for use in the raffle that would also be greatly appreciated! Please contact Abbie Friedman at sundevilalum@netzero.net.

Please send your donation in to school by **January 29th**. If anyone has any questions, ideas or suggestions for the basket, please feel free to contact either of us! Any and all suggestions are GREATLY appreciated!

Thanks for all your support!
